

Le Cateau Keeping In Touch

2023/2024 Edition #4 - 26th October 2023

This week's message...

We have now reached the end of a very busy (and long) half term! I have been really impressed with the way in which the vast majority of children have settled in and the work ethic they are demonstrating. We are seeing lots of children meeting our #highexpectations and producing really high quality work. Well done!

We hope you all have a great half term break and look forward to seeing you back in school on Monday 6th November.

CONGRATULATIONS!
Our Year 5/6 Boys Football Team have reached the Area Finals. A special mention to our goalkeeper Sameep who kept a clean sheet in every game.

Poppies go on sale after the holiday. Purchases are to be made at the school office at break and lunch times only

Ask your child/children about our new habit agreement!

Children are learning that our brain makes new connections every time we learn something new. Imagine a spider's web with lots of interconnected parts that link up. This is a visual way to imagine all the connections we make in our brains. These are called neural pathways. Neurons work in the brain to form neural pathways. The more we practice something new, or make something a habit, the more the brain remembers and develops stronger neural pathways, so that the habit becomes easier.

Children have agreed to make mindful happy breathing a habit. By practising happy breathing regularly they are teaching themselves to manage their own responses to stress and difficult emotions to help them avoid getting overwhelmed.

Parent Consultations

Teaching staff wanted to pass on their thanks to the large number of attendees at the recent Parent Consultation Meetings.

We really appreciate your input and contributions to your child's learning and hope you found the meetings insightful and useful.

If you missed your meeting - we will be in touch after the holiday to book you in, so you can find out about your child's progress!

Start of School Day

We still have a number of people arriving AFTER school has officially started! This is causing lots of issues at the start of the day so...

PLEASE ENSURE YOU ARRIVE BEFORE 8:45AM

CONGRATULATIONS!

We also say a huge CONGRATULATIONS to our Girls Football Team who also reached the Area Finals following last week's Cluster Competition. They won every game, scoring 3 or more goals in each game and conceded ZERO goals! Awesome.
