

Le Cateau Keeping In Touch

2023/2024 Edition #12 - 11th January 2024

A message from Mr M...

HAPPY NEW YEAR

I hope you all had a wonderful festive break and managed to relax and spend time with those you wanted to. It was lovely to see the children arriving in school on Tuesday eager to see their friends and to tell the staff all about their holidays.

It was also lovely to welcome a number of new pupils and their families to #teamLeCateau. We had 12 new starters in main school along with a large number of new Nursery pupils. A big welcome to all of you and I hope you already feel part of our family and community!

Although this half term is a short one, there is a lot planned and it is sure to be an action packed 5 weeks! With this being the first KIT of the term, there is not much to reflect on but the following editions will provide more detail.

As ever, please make sure you keep up to speed with the weekly KIT and "Communication Thursday" so you know what is going on.
