

Le Cateau Keeping In Touch

2023/2024 Edition #27 - 16th May 2024

A message from Mr M...

Amazing Year 6 Pupils!

First up today is a huge well done to our amazing Year 6 pupils who have completed their SATs assessments this week. They have worked extremely hard with very little fuss. A big thank you to all the staff across school who have had to change their timetables to accommodate the SATs this week.

SHHHHHSSSSHHHH!

It's all so quite this evening as our Year 5 and 6 pupils enjoy a SILENT DISCO in the school hall. Thanks to the Friends of Le Cateau for organising this. Next week also sees a DISCO for the rest of the school.

SHINE in NON-UNIFORM!

One of the major highlights of the year takes place next week with our annual talent show SHINE. As this is taking place on the last day of the half term, we will be holding a non-uniform day where pupils can come to school wearing an outfit of their choice.

A voluntary contribution towards this would be much appreciated and will support our CREATIVE ARTS WEEK planned for 17th to 21st June.

Finally...BIKE DAY is around the corner.

Another highlight of the Le Cateau calendar, BIKE DAY will take place on Friday 7th June. More detail can be found in this week's KIT.

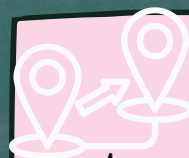

This week's attendance award goes to...

Year 5 Whites Wolves

with

99.1% attendance

Moving?

Are you moving in the coming weeks? Had a posting order? We need to know.

Please contact the school office with the proposed details of your move so we can prepare leavers documents and sort the arrangements to make your move as smooth as possible. Please speak to Mrs Pascoe, Admissions Coordinator.

Gardening Club

Alice, Abigail and Ethan have planted up five hanging baskets, which we are hoping to sell to raise funds for our club.

Rory and Thomas, an ex Le Cateau student and currently at Risedale, are very proud to show off their handmade potting table. Thank you Thomas for your support.

Ethan is busy caring for the tomato plants and courgettes in the greenhouse made by the children with support from Mark.

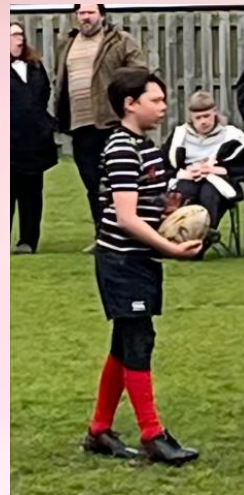

Being Active!

Henry L 4 Hedgehogs

Over the last couple of weeks, we have been wanting to hear your stories of how you have been active or about goals you are setting. Here's what Henry in Year 4 has been up to, to stay active:

Henry has started the month of May being very active with, walks, scooting, rugby and cold water swimming.

Henry has also passed his stage 7 in swimming. We are super proud of him.

We would like to hear your stories (Linked to caring about well-being) to share on our newsletter!

Email any photos and stories to school@le-cateau.n-yorks.sch.uk for a chance to feature!

Le Cateau CP School Bike DAY Friday 7th June

A fun packed day of cycling activities.

Make sure your bike and helmet are ready to go!

Give your bike a check over and make sure your brakes are working.

If you don't have a bike you can bring a scooter. however a lot of activities will take place on the grass so a bike is preferred.

Come and buy a Bacon Roll and a Prize draw Raffle ticket for £1, available on the school field from 8:15am

About Kieran Rose

Autistic author and researcher Kieran Rose has a career background in SEND education and public sector service delivery for Autistic adults. He is the parent of three Autistic children, all of whom have varying support needs.

Kieran has delivered his own specialist Autism training focused on deconstructing and reframing the autism narrative to thousands of Professionals across the UK and Internationally; provides private consultancy to organisations and services across the world; and is a faculty member for the US-based Occupational Therapy charity: The STAR Institute.

He has published a number of groundbreaking academic papers on Autistic Masking (in both adults and children and young people); Interpersonal Victimization; and Intimate Partner Violence; and has a deep interest in the relationship between stigma and identity development in Autistic people. He is producing more research in these areas and others, including Monotropism and Identity; and experiences of suicide.

Kieran has guest-lectured on Psychology, Social Care, and Education at Undergraduate and Masters level, alongside Autism and Learning Disability specific courses at Universities across the UK; and is a peer reviewer for leading autism journals: 'Autism', and Autism in Adulthood'. He holds the title Honorary Research Associate with the University of Sunderland and is an associate researcher of GRRAND University College London. He was a lead trainer and content creator for the NHS England-funded National Autism Trainer Programme, focused on training inpatient and community based clinical settings and services.

With leading autism researcher and Developmental Psychologist Dr Amy Pearson, he is the co-Author of the highly acclaimed book: 'Autistic Masking: Understanding identity management and the role of stigma'.

Kieran's work can be found at www.theautisticadvocate.com

of Defence

New Catterick Integrated Care Campus

From Foundation Stage 1

Next week in FS1...

we will continue to read room on the broom as a focused text, but also enjoy lots of other stories. We will be making potions and using mathematical language such as empty and full. Following from the children's interests of fairies, we are going to develop our fairy garden, look for the fairies and make magic wands. We will also be having a fashion show, allowing the children to develop their own skills to dress themselves, as well as developing self-esteem, confidence and expressing themselves.

Please make sure that your child is dressed appropriately for the weather. If it is warm/sunny, please apply sun cream before they attend. If it is raining, please bring a coat. thank you!

Well done to...

Well done FS1 for working on yourselves and your goals that we discussed as part of our My Happy Mind sessions.

From Foundation Stage 2

Next week

This week in maths we will be sharing and halving.

We will be using different materials to make some masterpieces for our art gallery.

We are outside in all weathers so please send your child in with appropriate clothing (coats, sun hats etc)

Pupil recognition:
Cheetahs - Ronnie
Little Bears - William B

We will be sending home all forest school and PE kits home before half term.

ART GALLERY

We will be having an Art Gallery, displaying the children's masterpieces based on our story Shifty McGifty and Slippery Sam: The Missing Masterpiece. The details are as follows:

Date: Wednesday 22nd May

Time: 2.45

Place: In the school hall (use the breakfast club entrance)

Year 1 News...

In maths, we will begin to look at time. In our writing, we will be learning to write for stamina, increasing how much we can write in an amount of time.

In History, we will be learning about the Tower of London. We will discuss ways to self-regulate in PSHE and talk about the impact of technology on how we communicate in our computing lesson.

Pupil recognition

1E - Khaleesa, Rose, Zander
1C - Valerie and Khyren

Important - please note, for the next half term, PE will be on Tuesday (indoor) and Wednesday (outdoor). You will shortly receive the Summer 1 common exception words for your child to practice at home.

Year 2 News...

Next week

We will be heading to Preston Park Museum for our class trip next week. Everyone is looking forward to this.

In Maths, we will be learning about fractions. With a focus on $\frac{1}{2}$ and $\frac{1}{4}$.

In English, we will be writing about our visit to the museum.

LET'S GO

ADVENTURE

This week's stars....

Butterfly of the Week - Eliza-Mae for super reading.
Bluebird of the Week - Martha for super sentence writing.

Messages and dates...

Visit to Preston Park Museum Wednesday 22nd May 2024

This visit is fast approaching, please check your Arbor account for the details. A contribution has been requested. We are very excited to be going to this museum.

There will be no indoor P.E next Friday due to SHINE. However, we will still have outdoor P.E on Tuesday. We will be moving forest school to Thursday of the last week. So please bring forest school clothes for Thursday 23rd please.

What is going on in Year 3?

Next week is the final week of this half term. We will be completing a range of work on D-day in history, English and Art. As we are coming to the end of our Happy Mind module engage, we will also be completing some artwork and writing about mental health and Happy Minds. In science we will be finishing our topic of plants and looking at the results of our science experiment. To end the half term Shine is on Friday.

Pupil Recognition

3R - Jacob B, Darcey, Lilly

3H - Deon, De'Naya, Dunya

Dates for the diary:

PE days this term: Wednesday PM- indoor, Thursday PM outdoor.

Updates from Year 4

Next week in Year 4

Next week in English, we will work on diary writing, using appropriate features. In Maths, we will be continuing with decimals, completing some assessments and of course, Times Tables. In History, we will look at prevention and detection of modern crime. In Geography, we continue with physical comparisons. We continue with 'Les fruits' in French, saying which we like/dislike.

Homework: Please encourage your child to practise his/her spellings on a regular basis.

A polite reminder, 15 minutes daily/regular revision on times tables would help improve fluency. We are moving ever closer to the National Yr 4 multiplication assessment. Encourage your child to access the times table programmes on offer, also we will continue to send home additional practice sheets. These do not need returning to school. Battle of the Bands continues each week on TTRS.

Pupil Recognition

Great work this week when completing GL assessments.

On Monday we have our Library & History exhibition visit in the morning. Tuesday, some children are participating in a cricket tournament at Wavell school. On Wednesday morning, we will be den-building in the woods - children will need to wear appropriate footwear for forest school. Then on Friday, we will be watching the Shine finals before we break for the holiday.

PE days are currently Thursday afternoon for indoor and Friday morning for outdoor.

Thursday: Children should wear uniform to school, bringing their PE kit in a bag

Friday: Children come dressed for outdoor PE, bringing their uniform in a bag to change back into.

Year 5 Latest...

Shout outs to...
Jenson and Cameron in 5A for great knowledge on Greek myths. Summer in 5W for resilience with her assessments! Jacob in 5S for brilliant planning of his Greek myth; using relative clauses and short, sharp sentences.

Upcoming Events

Sports day - look out for details.
SHINE next Friday!
Please bring in a shoe box and any household resources for our dioramas.
We will be making miniature dens for HAP!

This week in Year 5

We will start to create our dioramas - wait for pictures of the finished product!
Of course, next Friday will be our SHINE final and will take most of the day.

All about Year 6

2024 SATS complete!

Shout outs to...

A massive well done to everyone in Year 6 this week - you did it!

A huge thank you to all the adults from across school that supported us this week.

Upcoming Events

Mrs Hailwood will be visiting pupils transitioning to Risedale on the afternoon of Monday 20th May.

Friday 24th May - Shine final

Friday 24th May - break up for half term.

Tuesday 4th June - session with PC Godfrey
Wednesday 12th June session with PC Godfrey
Thursday 20th June session with PC Godfrey

Wednesday 19th June - Armed Forces Day - information to follow
