

# Le Cateau Keeping In Touch

2023/2024 Edition #28 - 24th May 2024

## A message from Mr M...

We have made it through another half term

There are only 7 school weeks of school left this year  
lets make next term an even better one.

Congratulations to all our shine participants you blew us  
all away. We raised £143.67 for our Creative Arts from  
today's non uniforms day.

Have a lovely half term and we will see you all back on  
Monday 3rd June.

# HAPPY Holidays

This week's attendance award  
goes to...

## Moving?

Are you moving in the coming  
weeks? Had a posting order?  
We need to know.

Please contact the school office  
with the proposed details of  
your move so we can prepare  
leavers documents and sort the  
arrangements to make your  
move as smooth as possible.  
Please speak to Mrs Pascoe,  
Admissions Coordinator.

# Keep your eyes peeled...

Our My Happy Mind ambassadors are in the process of planning and organising another showcase event taking place after half term.

All children across school have contributed to completing some amazing work to showcase to you all.

Keep your eyes peeled for more details on our next event!

# About Kieran Rose

Autistic author and researcher Kieran Rose has a career background in SEND education and public sector service delivery for Autistic adults. He is the parent of three Autistic children, all of whom have varying support needs.

Kieran has delivered his own specialist Autism training focused on deconstructing and reframing the autism narrative to thousands of Professionals across the UK and Internationally; provides private consultancy to organisations and services across the world; and is a faculty member for the US-based Occupational Therapy charity: The STAR Institute.

He has published a number of groundbreaking academic papers on Autistic Masking (in both adults and children and young people); Interpersonal Victimisation; and Intimate Partner Violence; and has a deep interest in the relationship between stigma and identity development in Autistic people. He is producing more research in these areas and others, including Monotropism and Identity; and experiences of suicide.

Kieran has guest-lectured on Psychology, Social Care, and Education at Undergraduate and Masters level, alongside Autism and Learning Disability specific courses at Universities across the UK; and is a peer reviewer for leading autism journals: 'Autism', and Autism in Adulthood'. He holds the title Honorary Research Associate with the University of Sunderland and is an associate researcher of GRRAND University College London. He was a lead trainer and content creator for the NHS England-funded National Autism Trainer Programme, focused on training inpatient and community based clinical settings and services.

With leading autism researcher and Developmental Psychologist Dr Amy Pearson, he is the co-Author of the highly acclaimed book: 'Autistic Masking: Understanding identity management and the role of stigma'.

# From Foundation Stage 1

## Next week in FS1...

When we return from the half term break, we will be looking at all things bugs! The children have had lots of interest in bugs recently. We will be reading lots of stories about bugs, searching for bugs, drawing and painting bugs, and lots more!

Please remember to bring your child to school with appropriate clothing for the weather. If it's going to rain, bring a coat; if it is warm, apply sun cream before school and bring a hat. Thank you!

## Well done to...

Well done to all of the FS1 children this week for being kind, friendly, patient, confident and independent during our My Happy Mind fashion show. We will be showcasing our work in a few weeks at the showcase event.

# From Foundation Stage 2

When we return to school after half term we are hoping to receive lots of postcards (see our appeal) from around the world. We will be reading the story Meerkat Mail. In maths we are going to do some more work on halving and sharing, the children have done a fabulous job at this so far, we look forward to continuing it next half term.

Well done to all the children in FS2 for working so hard this last half term, we were so proud of the work that was displayed in our art gallery.

### A postcard appeal!

Next half term FS2 will be reading Meerkat Mail, all about Sunny who receives postcards from his friends and family all around the world! We would love to receive postcards of our own from people around the world so can you ask family and friend far and wide to send postcards to the children in Le Cateau.

Please send the postcards directly to:  
FS2 Children  
Le Cateau CP School  
Brough Road  
Catterick Garrison  
North Yorkshire  
DL9 4ED

## Year 1 News...

In maths, we will continue to look at time, focusing on o'clock and half past. In our writing, we will be creating non-fiction pieces about castles.

In computing we will find out about algorithms. We will discuss Richmond Castle in History and name and label the different parts of a plant in science.

### Pupil recognition

1E - Tobi, Khaleesa, Zander  
1C - Sienna, Khyren, Grace

Important - please note, for the next half term, PE will be on Tuesday (indoor) and Wednesday (outdoor). You will shortly receive the Summer 1 common exception words for your child to practise at home.

## Year 2 News...

After half term, we will be using our knowledge of fractions to solve problems. In English, we will read a variety of different poems. In PE, we will be preparing for KS1 sports day.

### Messages and dates...

Information about PE days will be sent out before we return after the half term break.

### This week's stars....

Well done to all the children who have worked hard this term and tried their very best.

## What is going on in Year 3?

Next half term we will be moving on from the Egyptians and start looking at North Yorkshire. In maths, we are moving onto lines and shapes and continuing with our times tables, revisiting the squared, 5s and 2s times tables.

### Pupil Recognition

3R - Dougie, Kacey, Hannah, Amber

3H - William, Aditti, Leo Z

## Updates from Year 4

### Pupil Recognition

Great work this week when completing the final assessments for this term. A massive well done to the children for their enthusiasm and creativity on their D-Day posters.

### Next week in Year 4

This week in English, we were working on diary writing, using appropriate features. We have had fun writing an entry from the opinion of a class pen or pencil. In Maths, we have completed our assessment and been practicing for our times tables check. We will be completing times table check when we return from half term. In History, we have been concentrating on D-day as the 6th June marks the 80th anniversary. We used our library visit to gather more information and from our increased knowledge we designed a poster which illustrates and captures everything D-Day is about. We have created very informative and descriptive posters which we are very proud of.

On our return after half-term, In English we will be exploring fake news and the impact this has. In maths we will continue to look at money. As well as, revising all the topics we have learnt this year. In History, we will continue to compare crime and punishment over the decades. In Geography we will be looking at fair trade and identifying trade links around the worlds. In Science we will be exploring sound and making sounds with a range of objects. In PE we will be moving onto dance and looking at our skills for our Sports Day.

Homework: Please encourage your child to practice his/her spellings on a regular basis.

Our times table check is next month: A polite reminder, 15 minutes daily/regular revision on times tables would help improve fluency. We are moving ever closer to the National Yr 4 multiplication assessment. Encourage your child to access the times table programmes on offer, also we will continue to send home additional practice sheets. These do not need returning to school. Battle of the Bands continues each week on TTRS.

Enjoy your half term. Have a well-earned rest. PE days will be changing to a Tuesday morning for outdoor and a Friday afternoon for indoor. Tuesday: Children should come to school wearing their outdoor PE kit, with their school uniform in their bag and they will get changed before lunch. Friday: Children come dressed in school uniform with their indoor PE kit in their bag and they will get changed after lunch.

## Year 5 Latest...

### Shout outs

Thank you to everyone who shared their stories with the residents of Rosedale Care Home. They really enjoyed chatting to you all.

### This week in Year 5

Happy Minds - our HAP dens are fantastic!

Our Greek myths are a triumph and we have enjoyed sharing them with some children in Year 3 and 4. Well done everyone!

We have borrowed some really interesting books from the library and are looking forward to reading them.

Our D-Day posters are also looking good.

### Upcoming Events

Sports day - look out for details.

## All about Year 6

### After half term

We are continuing to write across the curriculum in order to build up our writing portfolios. We are continuing to write our narrative where things have taken a turn for the worse for some of our characters.

### Shout outs to...
