

Le Cateau Keeping In Touch

2023/2024 Edition #34 - 10th July 2024

A message from Mr M... ..

I can't believe we only have one week to go!!!!

Tomorrow you will receive your child's annual report so please look out for this arriving. This provides an overview of your child's progress this year and celebrates their success.

Along with this will be a questionnaire asking for your views. Completing this will help us look at any school improvement strategies we will need to implement next year.

With England reaching the Euros Final, we will be 'celebrating' ahead of the game by having a non-uniform day tomorrow. See the poster below for more information. We have also looked at the start of the day on Monday morning as we know there may be some tired children. Year 6 will be performing their school play to the whole school so this is a nice and easy way of starting the week and takes the pressure off the children if they are a little tired. School will start at the normal time!

Have a great weekend and I look forward to sharing a final review of the year with you next week.
