

KEEPING IN TOUCH

A Message From Mr M...

And that's a wrap...2024 over and a new year ahead.

As we end this year, I just wanted to thank you all for your support and input over the last year. Our community is a very special one and the part that each and everyone plays is so important.

It has been another busy year with so many memorable events. And 2025 is set to continue in the same way.

On behalf of the staff and Governors, we hope you have a wonderful festive break. Enjoy time with family and friends. Relax and refresh.

Thank you from the staff members for your messages and thank you items that have been shared this week.

See you all on the 'other side'!

Farewell Miss Auger

Year 4 say a fond farewell to Miss Auger who has been working with them in class, she has made an amazing impact and she will be greatly missed by all of the children and staff.

ATTENDANCE & LATE ARRIVALS

We have reviewed all of the pupil attendance for this term along with those pupils arriving LATE on a regular basis.

Please be aware that the new Government protocols requires us to undertake direct work with families on this agenda.

When we return to school in the new year, we will be making direct contact with those families with concerning trends of absence or lateness.

If your child has arrived LATE more than 5 times since September OR their attendance is under 90%, warning letters will be issued along with direct actions taken to rectify this.

Year 4 Butterflies & Tigers

Year 3 Hedgehogs & Impressive Llamas

Year 3 have had a lovely festive week, taking part in lots of Christmas activities. We have enjoyed being creative, painting, sketching, crafting and singing.

Our Christmas dinner was delicious! It was such a good opportunity for us all to eat together and have some fun!

We have had a lovely term and made so much progress with our learning and routines. Some highlights have been...

- Our Stone Age topic and Stone Age Day, travelling back in time has never been so much fun.
- Exploring rocks and fossils, magnets and forces.
- Using 'Scratch' on the computers and creating games for our friends to test and review.
- Yoga, team games, netball and rugby in PE.
- Learning about the Jewish faith.
- Learning colours, numbers and animals in French.

Well done to...

All of year 3 for a fantastic first term. It's not been easy but we did it!

Have a fabulous Christmas!

Well done!

Congratulations...

All children have worked so hard this term!

Happy Christmas
